The **College Life Skills Program** utilizes
our individualized, proprietary, and
evidence-based interventions that have
been meticulously developed with the
real-life experience of thousands of
students over
three decades.

The **CollegeLSP** will develop the:
emotional maturity,
executive functioning,
life skills, and
social abilities
of college bound students, those in
college and then transitioning out of
college.

Strategically ensuring success
through individualized coaching for
student's who may have
characteristics of ADHD,
"Asperger's", Autism, "Giftedness",
Learning Disabilities and other
learning/life challenges.

The **CollegeLSP** is a
non-residential, highly
individualized, service and a
subsidiary program of the
Support for Students
Growth Center.

Since 2012, Dr. Eric J. Nach, Developmental and Behavioral Specialist, who specializes in Autism, ADHD and Related Disorders, along with his team of professional counselors, behaviorists and special educators have been empowering students and their families at the Support for Students Growth Center in Boca Raton, FL, nationally and internationally.

The "TEAM" empowers children, teens, and young adults with emotional, social, behavioral and/or educational needs by "providing the services schools just can't."

Dr. Nach and his wife Paula, the office manager, are the proud parents of Daisy, an English Teddybear Golden Doodle who is a "Certified Therapy Dog". Daisy is always on-hand to lend a helping paw.
